

Monthly School Council

HOME LEARNING HUB HIGHLIGHTS

Welcome to our Hub Council!
Every month, we meet to discuss our learning and education environment.

We are really happy with our classrooms, especially the new garage room which looks great even though it's not quite finished. We also love having the dogs around. *The Hub Council*

OUTDOOR AREA

- Football net
- Could we get some tadpoles to watch them grow into frogs?
- Could we make bird feeders, bird houses and other things like hedgehog habitats?

FOOD

- Healthy eating habits were reluctantly discussed.
- Perhaps more yoghurts in snacks.
- Could we do a charity fruit and veg eating tick off sheet?

SCHOOL TRIPS

- Zoo
- Safari Park
- Cafe
- Library
- Ludlow Castle

Could we fund raise for these?
