

Home Learning Hub News

This week in Home Learning Hub:

Hello Summer! What a mixed bag of weather we've had! We have made full use of the sunshine at HLH. The children have enjoyed the garden, the opportunity for outdoor learning and craft activities both inside and out. Together with other like-minded professionals, we have delivered some amazing craft days!

Upcoming Events:

- Functional Skills
- Parent Consultations
- Home Learning Classes
- September opening
- Enrichment opportunities

Enrichment Activities:

Next week, I will distribute surveys for parents to fill out. I would greatly appreciate your time in completing them. The feedback will help me to decide what enrichment activities to offer at HLH.

Other News...

We are looking forward to the new start in September! We have been busy clearing, sorting and arranging the space for the new academic year!

We hope that we have created a calm and welcoming space!
